May Day 1974
"The Way We Were"

May Day, 1974, proved to be a labor of love for the Junior Class. After months of planning and hard work, they were proud to present "The Way We Were" on May 24th. "Misty water-color memories," a line from their theme song, provided a motif for the abundant decorations.

The day was highlighted by the crowning of Dawna Livingston, May Queen 1974 by class president, Mark Cavalcante.

Football at WHS started off great this ye but ended with a sad tone. Our team and th Albert Gallatin team finished the season wit identical 7-1 records. Our loss was to Beth Cen ter, theirs was to us, 23-13. We were chosen a conference champs but they went to the play offs. No one supporting WHS sports coul understand this very unfair decision. The coache and the school board fought hard for us but t no avail.

The team played each game to their ability With the loss of 17 seniors some space will b created in the lineup. But this is no great threa as our team had a lot of depth.

We would like to wish the best of luck t these seniors in continuing their football career Also Good Luck to the next years' Little Prexie in making WHS Number One.

working hard and had a busy schedule of concer
and special functions to which they were invited. A
Christmas time, along with the annual Christma

the Kiwanis. The Choralaires, representing Was
High, participated in a choral festival at Connell
ville along with five other area high schools. Th
chorus concluded the 1974-75 year with a conce
paying tribute to the Beatles.

Throughout the 1974-75 school year Washington High School Band has demonstrated their skill in such festivities as the Cleveland Christmas Parade on Thanksgiving Day, the East Allegheny Band Festival during the summer and at all football halftimes including Homecoming crowning. We are proud to add that the band who acted as host at the Battle of Bands was our own Washington High School Little Prexie Band.

Karl resides with Mark Mayer's family during his stay in the United States. His own family lives in Telgte, Germany. Take a look at Glass Collecting . . . You'll like what you see.

You, your neighbors and your environment will benefit when you collect and return used glass bottles and jars to Brockway Glass Company's Redemption Center.

We'll pay any group or individual one cent a pound ($20 a ton) for clean, metal-free glass containers separated by color. They'll be crushed and melted to make new glass containers that can be brought back again to help keep the recycling chain going.

Here's a chance to do something personally for ecology, and at the same time, raise the money you've been looking for to finance that club picnic, block party or other group activity.

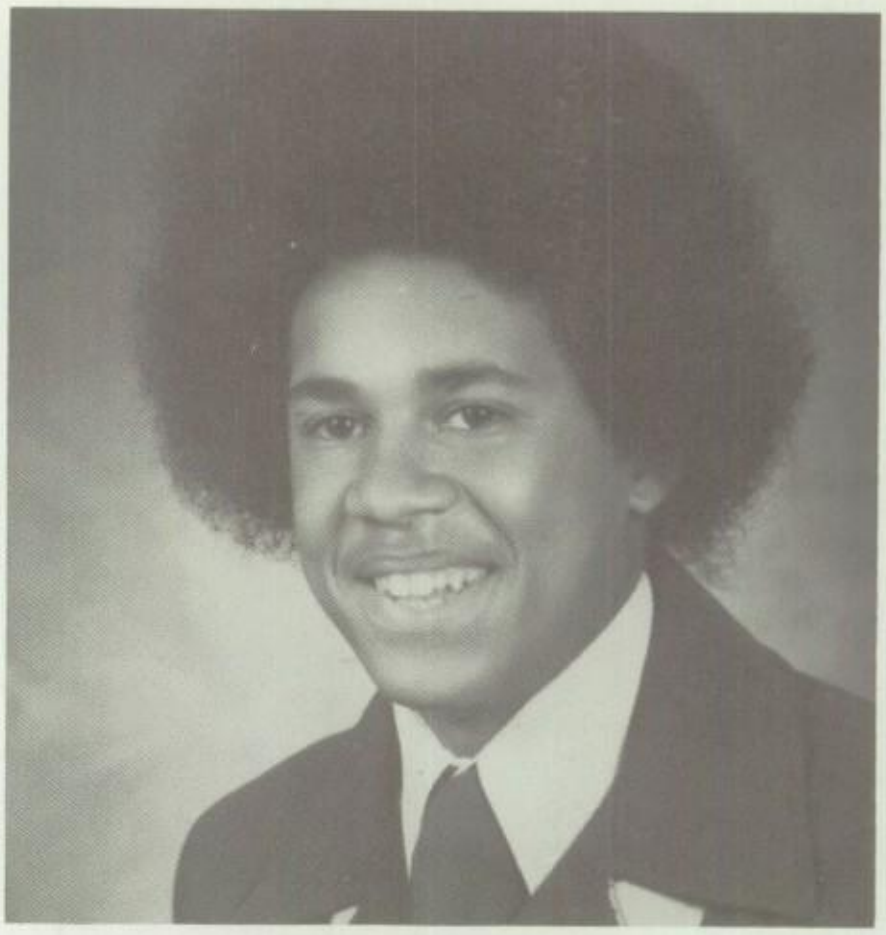
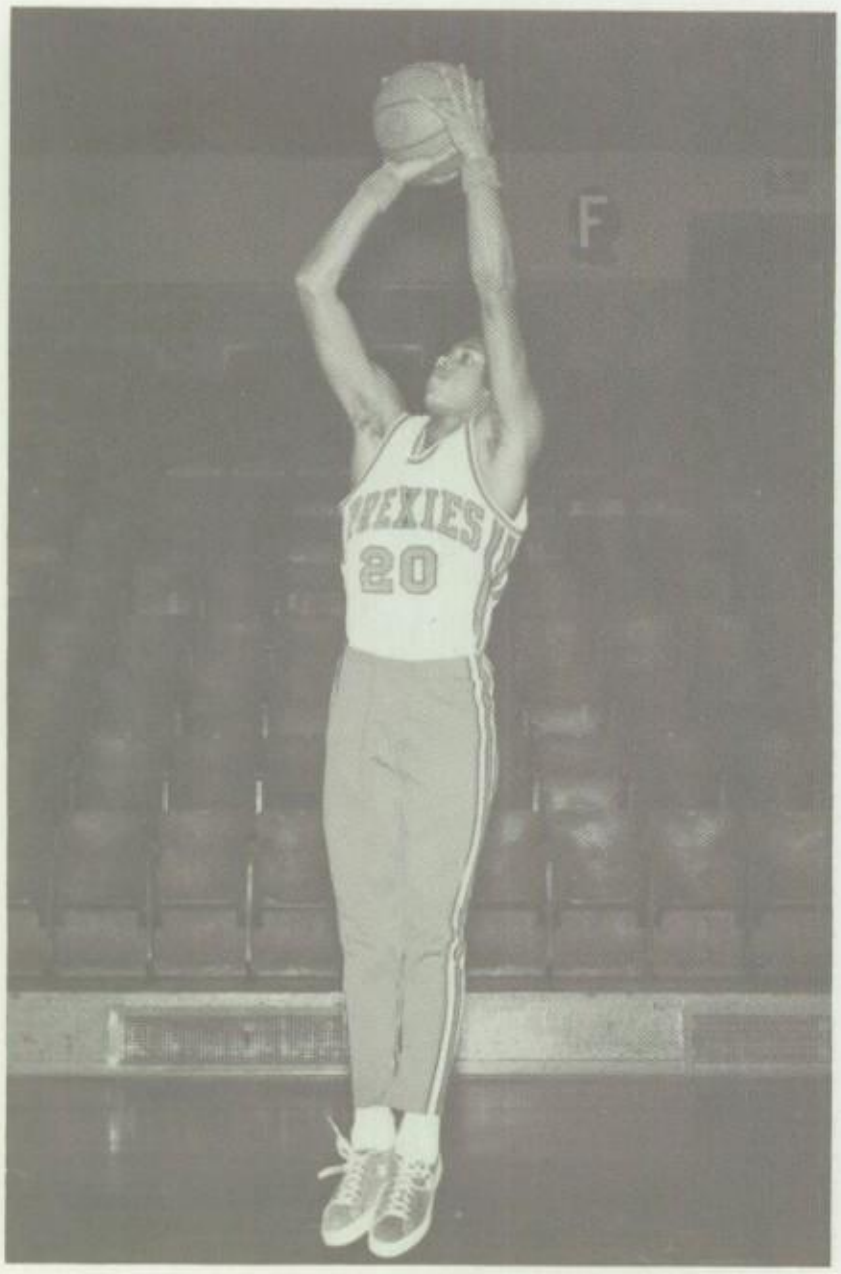
IN MEMORY OF TONY HULL

April 18, 1956-October 29, 1974





He Is Not Dead

I cannot say, and I will not say
That he is dead, He is just away.
With a cheery smile, and a wave of the hand,
He has wandered into an unknown land
and left us dreaming how very fair
It needs must be, since he lingers there.
And you — oh, you, who the wildest yearn
For an old-time step, and the glad return,
Think of him faring on, as dear
In the love of There as the love of Here.
Think of him still as the same. I say,
He is not dead — he is just away . . .

James Whitcomb Riley
